

RemindMe

Automated appointment reminders for your patients or customers.

“Hello, this is Main Street Associates calling to remind you of your upcoming appointment...”

Key features of RemindMe:

Integrated phone, e-mail & text messaging solution is the very latest way to reach as many patients or customers as possible.

We customize the service for you in approximately 30-60 minutes. You could be up and running within 24 hours.

RemindMe integrates with your scheduling system. There is no need to learn new software.

Your patients or clients will hear your customized message in your voice.

The subscription fee is based on your usage so even the smallest offices can benefit.

If you are not completely satisfied at any time, you pay only for your usage, with no cancellation fee.

“ Thanks so much - your company is so easy to work with. Very, very helpful. ”
